CHRONICLES OF A LIQUID SOCIETY (HARDBACK)

HOUGHTON MIFFLIN, United States, 2017. Hardback. Condition: New. Language: English. Brand new Book. A posthumous collection of essays about the modern world from one of Europe's greatest, and best-selling, literary figures Umberto Eco was an international cultural superstar. In this, his last collection, the celebrated essayist and novelist observes the changing world around him with irrepressible curiosity and profound wisdom. He sees with fresh eyes the upheaval in ideological values, the crises in politics, and the unbridled individualism that have become the backdrop of our lives--a "liquid" society in which it's not easy to find a polestar, though stars and starlets abound. In these pieces, written for his regular column in L'Espresso magazine, Eco brings his dazzling erudition and keen sense of the everyday to bear on topics such as popular culture and politics, being seen, conspiracies, the old and the young, new technologies, mass media, racism, and good manners. It is a final gift to his reader--astute, witty, and illuminating.
